1. **Opening of the Meeting:** Meeting was brought to order by Mr. Al Beaver.
2. **Approval of Minutes:** Minutes approved and seconded.
3. **Director's Report on the Prison Population:** Mr. Sakai was unable to attend the meeting, so Ms. Torney reported on the prison population. She said that there are 1259 inmates on the mainland and that number has gone up by 100. There is a total of 3915 in Hawaii. The total prison population for the mainland and those in Hawaii is 5174.

4. **Facility Space Analysis: Presented by Ms. Torney:** Ms. Torney continued with the review of the Effective Capacity: Maui Community Correctional Center and Oahu Community Correctional Center. She provided handouts, which indicated the information that was discussed in the meeting.

Ms. Torney said that she hasn't had time to complete the review yet for Halawa. She was hoping to have a draft report to the Corrections Population Management Commission (CPMC) by November 8th, but she said she is not going to be able to make the deadline. She will have the report to the (CPMC) ready at the November 15th meeting and then at that meeting she will give a date in December for comments to be submitted to her by. At the meeting in December the comments will be reviewed and will be incorporated in the report.

Oahu Community Correctional Center: Ms. Torney said that 554 is the maximum inmate population limit as set by the Consent Decree for the Main. She said that based on discussion with the Department of Public Safety (PSD) staff and after Corrections Population Management Commission (CPMC) members toured the main facility and it was decided to recommend that PSD strive towards not exceeding 477 inmates at the main facility.

She discussed the total population for each annex, the modules, Pan Abode Mauka, Pan Abode Makai, and Laumaka Work Furlough Center. These totals are included in the handout.

Infrastructure total capacity is: 949, Housing Capacity: Total cell capacity is 516, and the total dormitory capacity is 438 for a total housing capacity of 954.

Support Service Capacity: Food Service capacity is 1,000 and they are able to accommodate that many. Health Care Capacity: Ms. Torney said that she needed to discuss this further with June Tevares in order for the total capacity for health care to be determined.

Program Services: Library Services, Education Services, Substance Abuse Treatment Services and Sex Offender Treatment Services were discussed.

Maui Community Correctional Center:

Infrastructure: Portable water total is 328, fire suppression capacity is 328, power signal and lighting is 328, mechanical systems capacity is 328, and wastewater capacity is 310. Mr. Borders said that the capacity should remain 310 for wastewater. Total infrastructure capacity is 310.

Total Housing capacity: total cell capacity is 132, total dormitory capacity is 196 for a total housing capacity of 328.

Food Service Capacity: Existing space/equipment/staff is a total of 328.

Health Care Capacity: Ms. Torney mentioned that she needs to discuss this with June Tevares in order to determine what the health care capacity is.

She discussed the total capacity for the modules two and three, module A, B and C and Dorms one through eight.

Ms. Torney mentioned that male inmates are receiving services at module two and that it is housing for pre-trial females.

Ms. Torney mentioned that Maui is the only other facility that has maximum security other than Halawa.

There was discussion about dorm three, which is used for Drug Court inmates (all males) participating in substance abuse treatment. It was mentioned that pre-trial and parole violators both are mixed together at the same dorm. There are low risk inmates at the same place as high risk.

Program Capacity: Library Services, Education Services, Substance Abuse Services, and Sex Offender Treatment Services was discussed.

Work Opportunities: Correctional Industries and Community Service Worklines was also discussed.

The issue of correctional industries not being able to have men and women inmates work together was discussed.

There was discussion about why the female inmates are not included in the contract for work opportunities.

The Intermediate Council meeting was discussed and that invitations are going out for the meeting in December.

Mr. Hajime inquired about the parking permits for the CPMC, which will be expiring in December. Mr. Torney said that the request to renew those permits would be submitted.

5. **Agenda for next meeting:** Ms. Torney will provide information for further review of the Effective Capacity.
6. **Closing of the meeting:** Meeting adjourned at 11:29 A.M.
7. **Next Commission Meeting:** Thursday, November 15, 2001 9:30 A.M.–
